Welcome

On behalf of the Piedmont College Department of Athletics we would like to welcome you to our campus for the 2006 Great South Athletic Conference Baseball Championship Tournament. We hope you enjoy your stay here at Piedmont College and we look forward to some exciting baseball action this weekend.

John Dzik
Athletic Director

The purpose of the GSAC is to provide an association through which the membership may encourage organized competition in intercollegiate sports. In particular, we recognize athletics as integral to the campus life program of our students and as essential to the total development of our student-athletes. We direct significant institutional resources to our athletic programs to assure that student-athletes have appropriate coaching, facilities, equipment, and opportunities for travel to compete against other conference schools.
