

About Piedmont College

The oldest co-educational four-year, liberal arts college in northeast Georgia, Piedmont College (est. 1897) provides an excellent education in a small-town environment. Located on a 100-acre campus in the foothills of the Blue Ridge Mountains, PC is a small college with approximately 2,000 students and a student-to-faculty ratio of less than 14 to one. The college offers bachelor of arts and bachelor of science degrees in 26 major areas. Piedmont also offers numerous minors and has pre-professional programs in six fields of study from law to medicine. Despite being a small private institution, Piedmont College is growing by leaps and bounds. Just in the past five years, over \$25 million dollars of new buildings have been erected on the beautiful campus.

Intercollegiate Athletics

Piedmont College participates in 13 intercollegiate sports including seven for women and six for men. PC fields squads in men's and women's cross country, men's and women's soccer, and volleyball in the fall season. The winter season is made up of men's and women's basketball while the spring sports are baseball, softball, men's and women's golf, and men's and women's tennis. Since the fall of 2003 Piedmont has been an active member of NCAA Division-III with additional affiliations in the Great South Athletic Conference and the National Christian College Athletic Association.

NCAA Division-III

Colleges and universities in NCAA Division-III place the highest priority on the overall quality of the educational experience and on the successful completion of all students' academic programs. They seek to establish and maintain an environment in which a student-athlete's athletic activities are conducted as an integral part of the student-athlete's educational experience. They also seek to establish and maintain an environment that values cultural diversity and gender equity among their student-athletes and athletic staff. The purpose of the NCAA is to assist its members in developing the basis for consistent and equitable competition while minimizing infringement on the freedom of the individual institutions to determine their own special objectives and programs.

NCAA Sportsmanship

In the honor of true sportsmanship, Piedmont College, the Great South Athletic Conference, and the NCAA encourage and promote good sportsmanship by student-athletes, coaches, and spectators. We request your cooperation by supporting the participants in a positive manner. Profanity, racial, ethnic, or sexist comments or any other intimidating actions directed at officials, student-athletes, coaches, or team representatives will not be tolerated and are grounds for removal from the site of competition.

Great South Athletic Conference

The Great South Athletic Conference was founded in 1999 as a group of NCAA Division-III member institutions from the southeast with similar academic and athletic interests. Charter members include Fisk University, LaGrange College, Maryville College, and Piedmont College. In 2002, Huntingdon College and women's colleges Agnes Scott College and Wesleyan College were granted membership. In 2003, Spelman College was admitted to the GSAC on a provisional basis. The schools spread across Alabama, Georgia, and Tennessee. All seven schools are either active or provisional members of the National Collegiate Athletic Association (NCAA) Division-III.

2006 Season Preview

The Piedmont College men's soccer team enters the 2006 season with high expectations and will look to finish at the top of the Great South Athletic Conference. The Lions will look to build upon their final 2005 overall record of 10-10 and 6-2 in the GSAC and finishing runner-up in the conference tournament. The Lions placed three players on the All-Conference 1st Team and two players on the 2nd team, four of which are returning this year.

PC will be led by seniors Patrick Ratigan in goal, Rob Nix at defender and George Sandi at midfielder. There will be a myriad of new faces in the program as second year head coach Jimmy Stephens has brought in 18 freshman who will serve as the foundation of the future.

The 2006 schedule will feature 12 NCAA Division-III South Region games including a pair of postseason teams from 2005 in Emory University and conference-rival Maryville College. The Lions will play host to seven games including senior day which is scheduled for October 16th against Hampden-Sydney College.

The Lions offense will be led by junior Drew Griffin who led the teams in goals with 18 last season. With a solid defense returning and a much improved offense PC will look to return to the top of the Great South and the NCAA postseason as they did in 2003 where the Lions advanced to the Sweet 16.
