

School of Education

Professional Admissions Option

Record of Competence and Effectiveness in Professional Work

Note: You are eligible to use this option if

- you have taught three out of the last five years with a clear, renewable teaching certificate in an approved, accredited school, and
- you have a minimum of 2.5 cumulative grade point average in your undergraduate degree.

This is to verify that I have established a record of satisfactory competency and effectiveness in professional teaching performance as documented by successfully meeting all the evaluation criteria while employed on a clear, renewable teaching certificate as a _____ teacher for these three years: _____, _____, and _____. Copies of the annual, summary evaluation forms for these years are attached.

Applicant's Signature: _____

Date: _____

Note: The Professional Admissions Option is not available for application to the Master of Arts in Special Education/General Curriculum.
