FACE
A TIME TO REMEMBER

Whether you love to sing, act, create art, write, or play music (or do all of these!), the Fine Arts College Experience (FACE) at Piedmont College is where you want to be.

During this two-day experience, you’ll meet the fine arts faculty, stay overnight on campus with students majoring in your area of interest, and be immersed in some of the many activities at Piedmont College. You will also have the opportunity to show what you can do and have your work evaluated by Piedmont faculty for scholarship awards.

PICK A DATE!
FACE is for high school juniors and seniors interested in learning more about the fine arts programs at Piedmont College. Sessions will be held Oct. 8–9, 2015, and Jan. 21–22, 2016, at the Demorest campus. The cost is $25, and housing and meals are provided. (Parents dropping off students are welcome to stay for a separate dinner and tour of the campus.)

TO REGISTER, use the attached form (copies are fine) or go online to piedmont.edu/FACE
