BACHELOR OF SCIENCE IN HEALTH CARE ADMINISTRATION
At the Daniel School of Nursing and Health Sciences, Health Care Administration is a broad-based, multidisciplinary degree that prepares students to work in a variety of settings and also prepares students for graduate education. The solid scientific core combined with business and other disciplines provides a strong career path in health care administration.

The faculty at the Daniel School is dedicated to providing an outstanding and personalized program of study in order to prepare our students to meet the challenges they will face when they enter the professional work force.

The Bachelor of Science in Health Care Administration degree may be completed in four academic years for students entering at the freshman level.

FINANCIAL AID There is need-based and non-need based student aid available to assist with the cost of tuition. All full-time Georgia residents may be eligible for the Georgia Tuition Equalization Grant and the HOPE scholarship.

WHERE DO I START? Contact any professor from the R.H. Daniel School of Nursing and Health Sciences, including the Dean, to discuss your goals. The Admissions Office can help you schedule an appointment along with a campus tour.

HOW DO I APPLY? Admissions Information packets are available from the Admissions Office. Fill out an application form and have official transcripts sent to Admissions Office, PO Box 10, Demorest GA 30535.

WHY CHOOSE PIEDMONT? Founded in 1897, Piedmont College has an outstanding tradition of excellence in professional education. If you are looking for individualized instruction in a friendly atmosphere, Piedmont College is the place for you.
