

**Piedmont Excellence in Science Award** (sponsored by Piedmont University)

**Mission:** Piedmont University dedicates itself to the transformative power of education through reciprocal learning, the development of compassionate leaders, and the stewardship of our local and global communities.

**Award:** To qualify for this award, students must be in middle or high school and their project's topic should address a scientific concept. The scientific category from which the poster will be selected depends on the participating judge's expertise.

One awardee will be selected from either the middle school or high school level. The awardee will receive a certificate of achievement and a Piedmont t-shirt. A representative of Piedmont University Science Department will visit the school to give the award.
