
Requirements/Policies for Dual Credit Enrollment

piedmont.edu
1-800-277-7020

To be eligible for the Dual Enrollment Program at Piedmont College the student must:

1. Be classified as a high school junior or senior by the student's eligible high school and have a 3.0 GPA or higher in college prep curriculum
2. Student must submit SAT, ACT or Accuplacer scores.
3. Provide completed Eligibility Checklist and Dual Credit Enrollment Recommendation form (to be completed by two high school teachers and high school principal or home school administrator)

Qualified students accepted to the College:

- Are required to sign a statement permitting college officials to speak with parents and school officials in all matters regarding the student's enrollment.
- May enroll in up to 15 credit hours, which must be selected from the approved list of eligible courses (Teacher Recommendation form).
- Who wish to substitute a course not listed on the Teacher Recommendation form must have written approval from the Vice President of Academic Affairs prior to registration.
- **DE students may take a maximum of 15 credit hours per semester, with a maximum of 30 hours total. Courses must be on the list of approved courses from the State of Georgia. If a Dual Enrollment student chooses to take a course not approved by the State of Georgia, or enrolls in more than 15 credit hours or exceeds 30 credit hours, the student will be charged the normal undergraduate price per credit hour. Dual Enrollment students are not eligible for financial aid. DE students are normally not eligible to take evening, hybrid or online courses. Any appeals to this restriction must be made in writing to the dean of the school in which a course is offered.**
- Drop/Add*** requirements:

All drop/add forms must have the following signatures before submitting to the registrar:

- High School Counselor or Home School Administrator
- Piedmont College Financial Aid Advisor
- Piedmont College Academic Advisor

***Students will not be allowed to add classes during the drop/add period. This policy applies to dropping one class and replacing it with another.

Re: Dual Enrollment Policies

APPLICATION PROCEDURES FOR NEW DUAL ENROLLMENT STUDENTS

***Previously accepted dual enrollment students who are in good academic standing and returning for successive semesters may skip Steps 1 and 2. Go to Step 3.**

STEP 1: Carefully read through Piedmont's requirements and policies regarding Dual Enrollment. If you and your High School counselor agree that this opportunity will be a good fit for you, please continue.

STEP 2: Complete an admissions application. Online applications are available at www.piedmont.edu/admission-aid/apply/

STEP 3: Submit official high school transcripts and SAT/ACT/Accuplacer scores. Please have your counselor submit transcripts electronically, either to bboonstra@piedmont.edu or through GA Futures. Transcripts may also be mailed to: Office of Undergraduate Admissions, Piedmont University/ PO Box 10/ Demorest, GA/30535. Screen shots of test scores may be accepted if name and test information appear on the same page. Official testing results may also be submitted.

STEP 4: Submit the course request and participation agreement from your high school, with the required signatures. This may be done electronically or by mail, using the addresses above.

THE DEADLINE FOR SUBMITTING ALL MATERIALS for FALL SEMESTER is MAY 15th; SPRING SEMESTER is NOVEMBER 1st. These are Piedmont's deadlines and may vary from your high schools' deadlines.

STEP 5: Students must go online to www.gafutures.org to complete the Georgia Dual Enrollment program application forms. They must be filled out completely, listing what courses the student has permission to take. The deadline for completing the online MOWR forms is **August 31st for the Fall semester and January 31st for the Spring semester.**

STEP 6: High School counselor or Home School administrator must certify students through www.gafutures.org.

STEP 7: Registration for Fall generally begins in April. Registration for Spring begins in November. *** Students will work with the dual credit enrollment academic advisor to register for classes. Students will select courses from a list provided by Piedmont College.

STEP 8: Attend the Dual Enrollment Orientation, usually held the week before classes begin. Students will be notified via email and/or mail about the date and time.

- **Dual Enrollment students are allowed to enroll in up to 15 credit hours per semester.**
- **Night classes are not available to dual enrolled students; a limited number of online options are available**
- *****Dates subject to change. Please check website for details or call the Admissions Office at 706-776-0103 for more information.**
