**Fall Semester 2021:** Eligibility criteria for automatic funding for HEERF III: Phase I (Fall 2021 Semester) at Piedmont University:

- Registered fall semester 2021 at Piedmont University as of July 28, 2021.

The Federal HEERF III Emergency Grant requires the University to prioritize a greater portion of funding to undergraduate students that exhibit exceptional need. “Exceptional need” is defined as demonstrating via the FAFSA an expected family contribution (EFC) number within the Pell eligible range. For HEERF III awards, an EFC of less than 5,847 demonstrates exceptional need. Students who have not completed a FAFSA qualified for an award, however they did not receive the “exceptional need” level of award. Students were prioritized for these funds based on a valid 2021-2022 FAFSA and need calculation from the Department of Education. HEERF III Grants ranged from \$300 to \$1,050 depending on EFC.

Reconciliation of HEERF III Emergency Grants awarded fall semester 2021 was conducted on September 2, September 30, November 9, 2021, and January 19, 2022, to identify and award students registered after the initial list was collected and to adjust grants upward due to decreases in EFC or receipt of FAFSA. Students in verification at the time of initial distribution were awarded the grant at the lowest tier level: \$400 undergraduate and \$300 graduate. Adjustments to the grant were made accordingly based on verification results.

HEERF III Emergency Grants were processed through the Student Accounts Office and were directly refunded to eligible students unless authorization was given by the student. Any outstanding balance was the financial responsibility of the student.

Students were requested to complete an authorization form found at: [HEERF III Authorization Form](#). With this acknowledgement, students confirmed HEERF III Grant funds:

- Do not have to be repaid.

- Will not be automatically applied to student account balances unless authorized by student.
- May be reported as income on their 2021 1098-T IRS Form.
- Disbursement will be deposited to their bank account via direct deposit authorization.

Eligible students were recommended to setup a direct deposit profile to obtain funding as quickly as possible.
