Piedmont College 4-year plan

Program: BS in Sport and Fitness Administration (Sales Track)

Program Mission Statement: The sport and fitness administration program seeks to prepare undergraduate students for careers involving the organization, administration, and supervision of sport and fitness programs by providing the theoretical foundations for both business (management, marketing, accounting, and economics) and sport science (health promotion, fitness assessment and prescription, biomechanics, and sport nutrition) through exemplary classroom and laboratory instruction. Furthermore, the program is dedicated to respecting individual diversity, engaging the community through internships and service, and providing the pre-requisite courses for students wishing to pursue an MBA upon graduation.
