

# PIEDMONT UNIVERSITY

## Premier Piedmont

March 19, 2023

Premier Piedmont is an invitation-only event specifically for our accepted, upper-level scholarship recipients to honor their academic achievements and leadership during their high school career.

*For families who have never toured campus, optional campus tours will be offered at 10am, prior to the event Welcome.*

The event begins at 11:00am with a welcome from the president, followed by a catered lunch in the upstairs conference area. Following lunch, the students will enjoy an inside look into the life of a Lion with the opportunity to meet with fellow students and faculty members to discuss specific academic programs and campus life. Simultaneously, parents will attend information sessions.
