

Student Achievement Data 2022-2023

Piedmont University evaluates student achievement with respect to outcomes relevant to its mission, which “dedicates itself to the transformation power of education through reciprocal learning”. Specific goals within the strategic plan for the university articulate the institutional commitment to student success.

GOAL 2 – Programs

Piedmont College will ensure educational excellence through curricular and co-curricular programs which enable student success by:

- a) Offering traditional and innovative academic programs that are rigorous in content and flexibility in real-world application;
- b) Educating the whole student through co-curricular programs, extra-curricular activities, and experiential learning; and
- c) Providing students with the resources to achieve their academic goals in a timely fashion and meet learning outcomes in their degree programs.

The university maintains an effective approach to evaluating its success with respect to student achievement, including consideration of satisfactory academic progress, course completion, graduation and retention rates, and state licensing examinations.
